ABOUT ME

Talent Acquisition professional with 7+ years of human resources and recruitment experience, managing 8 to 12 vacancies monthly with a target hiring period of 20 to 40 days. Skilled in end to end recruitment, workforce planning, competency based interviewing, and recruitment analytics. Proficient in LinkedIn Recruiter, Boolean Search, Applicant Tracking Systems (ATS), Human Resources Information Systems (HRIS), and employer branding.

WORK EXPERIENCES

Hotel Salak The Heritage Bogor

Talent Acquisition Manager | January 2021 – Present

Heritage city hotel in Bogor with 142 guest rooms and 13 MICE facilities.

- **Strategic Workforce Planning & End to End Recruitment**, Lead recruitment planning and execution across 7 hotel departments, covering operational, supervisory, and managerial positions. Collaborate with department heads to validate manpower requisitions, prioritize critical vacancies, and align hiring plans with approved headcount, occupancy forecasts, and seasonal business demands. Manage an estimated 10–15 hires per month to support operational readiness and workforce continuity.
- **Talent Sourcing & Recruitment Funnel Optimization,** Develop multichannel sourcing strategies using LinkedIn Recruiter, Boolean Search, job portals, employee referrals, and talent databases. Manage an estimated 20–30 active vacancies per quarter, maintain qualified talent pipelines, and analyze recruitment funnel conversion, source effectiveness, and offer acceptance rates. Target a 20% reduction in average time to fill through sourcing optimization and proactive candidate pipeline management.
- **Competency Based Assessment & Selection,** Coordinate structured interviews using Competency Based Interviewing (CBI), behavioral questioning, competency matrices, and standardized evaluation scorecards. Assess candidates against role specific hospitality competencies, conduct reference checks, and coordinate pre-employment verification. Target an offer acceptance rate of at least 85% through structured candidate evaluation, stakeholder alignment, and timely communication throughout the selection process.
- **Recruitment Analytics, Employer Branding & Talent Pipeline Development,** Monitor recruitment KPIs, vacancy aging, hiring volume, time to fill, and sourcing channel performance to support data driven workforce decisions. Develop employer value proposition (EVP) messaging, recruitment campaigns, and partnerships with vocational institutions to strengthen employer visibility and talent availability. Aim to source at least 25% of hires through employee referrals and institutional partnerships while improving candidate experience and recruitment process consistency.

WORK EXPERIENCES

Hotel Salak the Haritage Bogor

Sales & Marketing Staff | February 2019 – December 2020

- **B2B Lead Generation,** Acquire corporate, government, travel agent, and MICE accounts, achieving a reported 25%+ lead to booking conversion rate.
- **Commercial Proposals & Negotiation,** Develop corporate room rate agreements, group booking proposals, and MICE packages, achieving a reported 80%+ proposal acceptance rate.
- **Revenue & Account Management,** Coordinate pricing, room inventory, and group bookings with Revenue Management and Reservations, contributing to 10% year over year growth in direct corporate bookings.

REHAU South East Asia

Human Resources Specialist | December 2017 – January 2019

- **Manufacturing Talent Acquisition,** Managed end to end recruitment for production operators, machine technicians, quality control personnel, engineers, and supply chain staff, handling approximately 8–12 vacancies monthly. Maintained target time to fill of 20 days for operational roles and 40 days for specialized technical positions.
- **Technical Screening & Safety Onboarding,** Coordinated technical competency assessments, manufacturing interviews, employment documentation, and workplace safety inductions, targeting 100% completion of mandatory safety orientation before employees commenced operational duties.
- **Industrial Relations & Workforce Compliance**, Supported employee grievance resolution, labor compliance, attendance management, and shift related workforce issues in a manufacturing environment, targeting resolution of routine employee cases within 5 working days.
- **HR Operations & Performance Management,** Administered HRIS, attendance records, shift scheduling, BPJS, technical training records, and performance appraisals for manufacturing and support teams, targeting 95% completion of scheduled performance reviews within established deadlines.
